

DISTRICT 3S FALL NEWSLETTER

Overview

On Thursday, October 24th, Mamaroneck High School hosted the District 3S Fall District Meeting, bringing together FBLA members for an evening of growth and inspiration. The event featured an engaging keynote speech, interactive workshops, district officer interviews, and opportunities to network over dinner. It was a fantastic kickoff to an exciting year of leadership and business success!

District Office

A highlight of the evening was the district officer interviews, where dedicated members showcased their leadership potential. This process helped identify the next generation of leaders for District 3S! Thank you so much to everyone who interviewed and congratulations to all who were selected!

KEYNOTE SPEAKER: INSIGHTS FOR SUCCESS

Our keynote speaker, Sunder Reddy, CFO of LaserAway, delivered an engaging and inspiring talk about what it takes to succeed in business and life. He shared valuable advice on the importance of staying true to yourself, learning from mistakes, and maintaining a positive mindset. Sunder explained that failure is not the end but rather an opportunity to grow and improve, encouraging attendees to embrace challenges with confidence.

He also highlighted the power of setting clear goals and building strong habits to achieve them. Sunder shared personal stories from his journey as a business leader, showing how resilience and authenticity helped him reach where he is today. His words left attendees motivated to tackle their own ambitions and inspired to think big!

WORKSHOPS FOR GROWTH

The Fall District Meeting offered a variety of engaging workshops to help FBLA members grow their skills and prepare for success. Sessions included Intro to Accounting, How to Be a State Officer, How to Prepare for Your FBLA Competitions, and The Mindset of a Leader. Each workshop provided valuable insights, from tips on excelling in leadership roles to strategies for performing well in FBLA events.

One of the popular workshops, Intro to Accounting, dove into the basics of the three main financial statements: the income statement, balance sheet, and cash flow statement. Participants learned how these tools are used in real-world business and left with a better understanding of foundational financial concepts. These workshops gave members practical knowledge they can apply both in FBLA and in their future careers.

STATE COUNCIL

JOIN US!

We are recruiting NYS FBLA members to apply to be a part of program of work councils on the state level!

How to join?

Go to www.nysfbla.org and click on the Program of Work tab. From there, you will see a link titled "NYS council application form." The deadline to apply is November 30th!
