

The background features a light blue sky with soft, out-of-focus white bokeh lights. Several stylized, six-pointed snowflakes in various shades of light blue are scattered across the scene. In the foreground, there are several dark blue evergreen trees with white snow on their branches and brown trunks. Behind the trees, a range of light-colored, snow-covered mountains is visible. The overall aesthetic is clean and modern, with a cool color palette.

DISTRICT 1S WINTER NEWSLETTER

UPDATES

SDM - Spring District Meeting

District 1S just successfully held its Spring District Meeting (SDM) at Hofstra University. FBLA students competed against each other in various events, with winners earning plaques that will be awarded at the State Leadership Conference (SLC).

SLC - State Leadership Conference

The SLC is a statewide event featuring FBLA competitions, workshops, and officer elections. It also provides a unique opportunity to connect with fellow FBLA peers and develop into the best future business leader you can be.

Program of Work Reminder

The Career and Development Committee encourages everyone to participate in our POW's. These activities will teach members responsibility and inspire them to make a difference, either big or small, in their community. Learn more on the NYS FBLA Instagram or at [NYSFBLA.org](https://nysfbla.org).
