INTRODUCTION

Happy Spring District IX! Welcome to the new look of our newsletter! We are officially in the homestretch for the State Leadership Conference! Just ONE MONTH until I see all of your faces in Rochester, but who's counting? In this edition of the District IX Newsletter, we will be recapping SDM, congratulating our competitive event winners, and going over tips for SLC. Make sure to go follow all NYS FBLA-related Instagram pages to be caught up on anything new!

TIPS

Come prepared with all materials needed for competitive events such as computers or writing utensils.

Practice any presentation events well before you have to present them. Use chapter members or advisors to practice on.

Network! Whether it's through workshops, meeting people at meals, or hanging out in the lobby, don't be afraid to talk to people.

Participate! Workshops, the talent show, and the dance are great ways to boost morale and energy through the conference. Make sure to attend all of these!
